| Problem                                    | Answer | Problem                                    | Answer |
|--------------------------------------------|--------|--------------------------------------------|--------|
| 1. Add $5.49 + 9.33 + 5.00$                |        | 11. Add 5% to 82.67.                       |        |
| 2. Split 332.48 equally between 4 people.  |        | 12. Take 20% off 64.66.                    |        |
| 3. Add 5% to 36.31.                        |        | 13. Add $29.04 + 49.37 + 9.00$             |        |
| 4. Take 15% off 52.59.                     |        | 14. Split 492.48 equally between 8 people. |        |
| 5. Add $28.02 + 47.63 + 9.00$              |        | 15. Add 5% to 69.38.                       |        |
| 6. Split 209.36 equally between 4 people.  |        | 16. Take 15% off 34.10.                    |        |
| 7. Add 25% to 54.08.                       |        | 17. Add $25.69 + 43.67 + 5.00$             |        |
| 8. Take 10% off 34.25.                     |        | 18. Split 58.80 equally between 6 people.  |        |
| 9. Add $87.31 + 148.43 + 9.00$             |        | 19. Add 20% to 82.53.                      |        |
| 10. Split 140.80 equally between 8 people. |        | 20. Take 15% off 18.66.                    |        |

## Answer key — Calculator practice

| #  | Problem                                | Answer |
|----|----------------------------------------|--------|
| 1  | Add $5.49 + 9.33 + 5.00$               | 19.82  |
| 2  | Split 332.48 equally between 4 people. | 83.12  |
| 3  | Add 5% to 36.31.                       | 38.13  |
| 4  | Take 15% off 52.59.                    | 44.7   |
| 5  | Add $28.02 + 47.63 + 9.00$             | 84.65  |
| 6  | Split 209.36 equally between 4 people. | 52.34  |
| 7  | Add 25% to 54.08.                      | 67.6   |
| 8  | Take 10% off 34.25.                    | 30.82  |
| 9  | Add $87.31 + 148.43 + 9.00$            | 244.74 |
| 10 | Split 140.80 equally between 8 people. | 17.6   |
| 11 | Add 5% to 82.67.                       | 86.8   |
| 12 | Take 20% off 64.66.                    | 51.73  |
| 13 | Add $29.04 + 49.37 + 9.00$             | 87.41  |
| 14 | Split 492.48 equally between 8 people. | 61.56  |
| 15 | Add 5% to 69.38.                       | 72.85  |
| 16 | Take 15% off 34.10.                    | 28.98  |
| 17 | Add $25.69 + 43.67 + 5.00$             | 74.36  |
| 18 | Split 58.80 equally between 6 people.  | 9.8    |
| 19 | Add 20% to 82.53.                      | 99.04  |
| 20 | Take 15% off 18.66.                    | 15.86  |
